Hi Melanie,

On behalf of Northrop Grumman, in a few moments you will receive an email from AECOM SendFiles for you to download the 2017 Annual Groundwater Monitoring and Remedial Progress Report for the Former TRW Microwave site (22MB file). This is not to be confused with the Well Installation Report sent earlier via email.

The SendFiles link does expire so hopefully you are able to download fairly soon. Please let us know if you have any issues downloading the file.

Please let us know if you have any questions or comments.

Thank you!  
Rebecca
